Subject: MICROSOFT SETTLEMENT

It is in my opinion in the best interest of America and the world at this time to settle the Antitrust case against Microsoft! Greed and jealousy and politics of other companies and states are feeding this frenzy! Send a signal to corporate America that to compete in the market place you must build a better product than your competition, and not try to steal from them!

Microsoft has not done anything more than that which is practiced today in any other corporation in America! Microsoft is good for America!

Please Settle This Antitrust Case Now!
